Summary

A determined and ambitious Computer Science Engineering student at Amity University, passionate about technology and self-improvement. Currently diving into web development, starting with HTML, and eager to explore software development, problem-solving, and emerging technologies. While my academic scores may not fully reflect my abilities, my dedication to continuous learning, certifications, and hands-on skills demonstrate my commitment to growth and excellence in the tech industry.

Work Experience

🗓 Jan 1970 - Present

Currently seeking relevant experience; open to internships and hands-on projects.

Education

Bachelor of Technology (B.Tech)

🏛 Amity University

🗓 2022- 2026 • Undergraduate

Pursuing a B.Tech degree in Computer Science & Engineering, focusing on fundamental and advanced concepts in computing, software development, and problem-solving techniques. Currently learning web development with a keen interest in software engineering and emerging technologies.

CBSE

🏛 Modern School

🗓 2019- 2020 • 10th

Completed Class 10th with a focus on fundamental subjects, laying the groundwork for further studies in Computer Science.

CBSE

🏛 Mordern School

🗓 2021- 2022 • 12th

Completed Class 12th with a strong foundation in Science and Mathematics, developing analytical and problem-solving skills.

Responsibility

Actively learning and improving web development skills.

Engaging in online courses and self-learning resources.

Seeking opportunities to collaborate on projects and enhance problem-solving skills.

Projects

Planning to start working on projects as I advance in my learning journey.

Achievements

Successfully started the journey in web development with HTML.

Continuously enhancing technical skills through self-learning and coursework.

Skills

- Web Development (Currently Learning HTML)
- Problem-Solving & Logical Thinking
- Time Management & Adaptability
- Team Collaboration & Communication

Certificates

- NASSCOM Certificate for Digital 101 Journey
- Cisco Certificate for Networking Basics
- Cisco Certificate for Introduction to Packet Tracer Exam
- Microsoft Certificate for Describe Cloud Service Types
- NPTEL Certificate for Body Language: Key to Professional Success
- Tata iON Certificate for Email Etiquette
- (Currently working towards relevant certifications in web development and programming.)
